Dear Mr Karam:

I just returned from our league meeting in Washington, and found your letter. I guess you have heard the bad news by now, the fact we are not going to be able to use our buses.

This is of course a big blow, but we are going to operate. It looks like we will have to use trains.

I called a bus company to find out if there was a bus line we could use to come play you on the 18th. I found there is none. We are going to train in Trenton. We do not start training until the 10th or 12th. That would not give us much time, but several "Eagles" are in the south, and are getting a little start.

We could not play a doubleheader that early. If we can arrange anything it will have to be a single game.

Whatever transportation we use, it will run into money. We would have to get \$150.00 guarantee, with an option of 50%. If these terms are satisfactory you can consider this a contract and go ahead with advertising. If not please let me know right away, in case I want to plan something else.

It was nice to hear from you, and I hope you have lots of luck with "The Rookies".

Very Truly Yours
